

HERMITAGE "LA CHAPELLE"

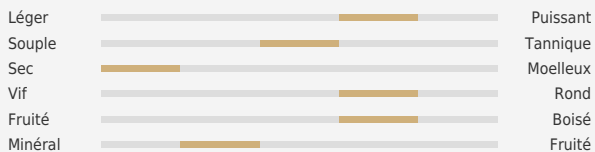

PRODUIT

The 1976 Hermitage « La Chapelle » from Paul Jaboulet Aîné is a legendary wine from the northern Rhône Valley, produced in the granite terroirs of Hermitage, renowned for their exceptional quality.

This older vintage presents an evolved color with brick-red highlights, characteristic of its age and elegance. The nose offers a complex palette of cooked red fruits, undergrowth, leather, sweet spices, and smoky notes, revealing a controlled maturity. On the palate, the wine seduces with its silky texture, softened tannins, and a long, elegant finish, supported by a remarkable mineral freshness.

This great wine is best enjoyed with refined dishes such as game, red meats, or mature cheeses.
