

BANSELLA NIZZA - 100% BARBERA

PRODUIT

In the prestigious Nizza appellation, in the heart of Monferrato, Barbera reaches its noblest expression. Bansella is a deep, dense, and refined wine. The nose is complex, blending blackberry, blackcurrant, blond tobacco, vanilla, and licorice. On the palate, the concentration is remarkable, yet always balanced by a lively acidic structure, typical of the grape variety. Discreet aging in oak confers texture and complexity. A wine for laying down, ideal with red meats, stews, or game in sauce.
