

MOULIN DE LA LAGUNE

PRODUIT

The château's second wine, Moulin de La Lagune, is produced primarily from young vines and carefully selected plots.

More immediate in its expression, it nevertheless retains the distinguished and refined style of its elder. The nose reveals notes of fresh red fruits (raspberry, redcurrant), flowers, and a light toasted note. On the palate, the texture is supple and velvety, with fine tannins and a lovely liveliness.

Moulin de La Lagune is a pleasant, indulgent, and balanced wine, ideal for younger consumption (between 3 and 8 years), while still offering real personality.

It pairs perfectly with grilled meats, roasted poultry, or refined Mediterranean cuisine.

PROFIL GUSTATIF

NOTATIONS

Suckling : 92/100
