

OSAN BM - BETTERAVE/MÛRE

PRODUIT

Presentation

OSAN BM is a non-alcoholic beverage, developed in Belgium by Michelin-starred chef Sang-Hoon Degeimbre.

This unique cuvée showcases beetroot and blackberry, the main ingredients that bring color and character to the drink.

Designed as a natural and refined alternative to wine, it is 100% organic, with no added sugar or preservatives.

OSAN BM combines gastronomic innovation and respect for nature, reflecting the creative and committed spirit of OSAN.

Ideal for lovers of original and authentic flavors, it fits perfectly into a high-end culinary experience.

Tasting

Its deep red color captivates the eye. On the nose, OSAN BM unfolds earthy notes of ripe beetroot, balanced by a delicate vegetal freshness.

On the palate, the attack is sweet, followed by a nice acidity that energizes the tasting without weighing it down.

The finish is long, slightly sweet, with a mineral touch that invites you to fully savor it.
Perfect as an aperitif or as an accompaniment to dishes with robust flavors.
